McGill University

KCRNC-CUOG Research Trainee Awards - Due June 5

Get your research trainee award submissions in before the **June 5** deadline. This award will grant up to 3 individuals \$15,000 towards their kidney cancer research.

If you have any questions, please contact [Ranjena](#)

Canadian Kidney Cancer information systems (CKCis)

Reminder: The biannual **CKCis Operations Meeting** will take place on Sunday June 25, 2017 from 9:45-10:45am at the Westin Harbor Castle in Toronto, Room Pier 5.

Inaugural World Kidney Cancer Day

June is **Kidney Cancer Awareness Month**.

June 22 will mark the first **World Kidney Cancer Q&A Day** – a day where the global kidney cancer community of patients, caregivers, family, health care professionals and patient organizations will raise awareness and funds for kidney cancer.

As part of this day, [Kidney Cancer Canada](#) is engaged in an awareness and fundraising campaign.
