Calling all Oncologists

The Exercise Oncology Lab at the University of Toronto is looking for oncologists or oncology residents/fellows to participate in a single webinar (35-60 minutes) on **enhancing physical activity discussion practices of oncologists**. Physical activity is beneficial across the cancer care continuum and there is evidence for improved treatment completion and effectiveness. Please see the **recruitment video (50 seconds)** for more information: [Video](#)

If you are interested in participating in the study, here is the secure link to complete the consent form: <https://redcap.link/xdtzs8wj>.

If you have any questions please feel free to reach out to me at 416-946-5856 or at denise.bastas@mail.utoronto.ca.
