Deadline: **MONDAY FEB 17, 2020**

Details [here](#).

Canadian Kidney Cancer Forum - April 2-3, 2020

Dr. Frédéric Pouliot and Dr. Christina Canil are planning a very interactive and informative research forum that will highlight global developments in kidney cancer research and treatments, but also showcase the work being done in Canada to advance the field. There will be discussions on funding opportunities,

Confirmed International Speakers:

Dr. Michael Atkins
Medical Oncologist
Georgetown University

Dr. James Larkin
Medical Oncologist
The Royal Marsden Hospital

Dr. Brian Shuch
Uro-Oncologist
UCLA

CKCF forum taking place April 2 - 3 2020 in Toronto at the Westin (Airport). Invitations have gone out. If you would like to attend, and have not seen an invitation, please contact [Ranjena](#)

Have a student, resident, post-doc, fellow, staff who you would like to attend? Please encourage them to submit a grant application (see above) or research abstract (see above) for consideration.

2920 CKCF Agenda includes:

- Global changes in kidney cancer landscape
- Common and rare toxicities with immunotherapy treatments (inc. combinations)
- Surgical, radiation and ablative therapy approaches for complex localized masses
- Sequencing research for systemic therapy
- Active surveillance in kidney cancer
- Kidney cancer quality initiatives
- Canadian investigator-initiated trials
- Updates on basic science and clinical research in Canada
- Discussion on collaboration and future funding opportunities
- ... and much more!

Canadian Kidney Cancer information system

Next CKCis Bi-annual Operations Committee meeting will take place on **Friday April 3, 2020** at CKCF
