February 8-10, 2024

Sheraton Toronto Airport Hotel & Conference Centre

The Board of Directors of the KCRNC has appointed Dr. Antonio (Tony) Finelli to the position of Chairperson, Kidney Cancer Research Network of Canada. On behalf of the Kidney Cancer Research Network of Canada (KCRNC) Steering Committee and the Canadian Kidney Cancer Forum (CKCF) Planning Committee, we would like to invite you to participate in the 13th Canadian Kidney Cancer Forum (CKCF) to take place from February 8 – 10, 2024 at the Toronto Sheraton Airport Hotel. The CUA has been given the mandate to organize and accredit this prestigious event, with the hopes of updating the CKCF Consensus Statement, to be published in CUAJ in late 2024. The meeting pattern will include sessions starting Thursday evening and ending Saturday at noon.

Program details and agenda will follow shortly. As in the past, we plan to bring international speakers and local experts together to create an intimate meeting with robust discussion and perspectives on how we can continue to advance the care for our kidney cancer patients.
